My dear [Redacted]

The Archivist of the United States proposes to submit to Congress a list of records of the Foreign Broadcast Intelligence Service that are in his custody and that appear to him not to have sufficient administrative, legal, research, or other value to warrant their continued preservation by the United States Government.

In accordance with section 4 of the Act of Congress approved July 7, 1943 (57 Stat. 380), the written consent of the director of the Central Intelligence Agency to the submission of this list to Congress is requested.

Very truly yours,

*Paul Lewinson*
